Re: Freedom of Information Act
Request No. PIR 800-24

Dear Mr. Kahlert:

This is a final response to your Freedom of Information Act (FOIA) request referenced above, concerning U.S. Steel's (aka USS Corporation) involvement at the Ninth Avenue and/or U.S. Scrap sites.

No further information other than the material provided in the interim response of June 16, 1988, exists concerning USS Corporation's involvement at the sites. All other information was provided in a telephone conversation between Allison Miltner, U.S. EPA and yourself on July 12, 1988.

Enclosed is a Bill for Collection in the amount of \$27.50. This covers photocopying costs for the recorded statement of the operator and the Customer Lists/Ledger Book previously mailed to you. This bill cannot be waived in the event the material is returned to the U.S. EPA.

Please contact Alan Altur, of my staff, at (212) 86-0300 if you have any questions concerning this letter or are in need of further assistance.

Sincerely yours,

Mary A. Gade, Acting Director
Office of Superfund
